### Let's Get Creative!

- 1** First cut your fleece into strips.
- 2** Secure one end with a safety pin, knot, or rubber band.
- 3** Next have a friend hold the end with the safety pin while you braid the toy tightly.
- 4** Take the safety pin out and knot the ends. For a tighter knot have your friend pull one way while you pull the opposite way.
- 5** Cut a fringe on both ends or leave it as-is.
- 6** Give as gifts or keep for your dog.
