

**Did you know?**

Most spiders live about 2 years, but some have been known to live up to 20 years when in captivity!

## What you will need

- Small Googly Eyes (x3)
- Black Paint
- Black Pipe Cleaners (x2)
- Black Construction Paper or Craft Foam
- Hot Glue Gun & Glue Sticks

## Let's Get Creative!

- 1** Paint clothespin black and set out to dry.
- 2** Cut out a circle from construction paper or craft foam. Hot glue onto the pin.
- 3** Attach googly eyes to the front of the pin.
- 4** Cut each pipe cleaner into 4 even pieces for legs and attach with hot glue to the body.

# Clothespin Spider
