

Recycle egg cartons  
into egg shells for  
little chicks to sit in!

## What you will need

- Egg Carton
- Big Yellow Pom Pom
- Orange Paper
- Googly Eyes
- Craft Glue
- Scissors
- Paint and Brushes (Optional)

## Let's Get Creative!

- 1** Cut a small beak using orange paper and glue to the yellow pom pom. Glue eyes above the beak.
- 2** Use scissors to cut out individual egg carton cups. Trim around the edges so that they are even, then cut in a zig-zag for the cracked egg look.
- 3** Add glue to the inside of the bottom cup and stick the chick inside. Repeat for the top to complete. You're done!

Optional: Paint the egg carton fun colors and patterns for additional effect!
