

To Make Pine Cone Spiders You Will Need

- Round pine cones
- Wiggly eyes (Use different sizes)
- Black pipe cleaners
- Scissors
- Low-temperature hot glue gun

Let's get creative

- 1** Wrap 4 full-length pipe cleaners around the pine cone to make a total of 8 legs. Shape the pipe cleaners into spider legs, adjusting the length with scissors if necessary.
- 2** Next, attach the wiggly eyes with hot glue to the bottom of the pine cone. You can also use Glue Dots or tacky craft glue.
- 3** Your pine cone spider craft is complete!
